July 16, 2009

Dear Parent:

Your child attends **Moore Haven Elementary School**, and is eligible to receive *free tutoring* through the Supplemental educational Services (SES) program for the 2009-10 school year.

**How did my child qualify?**

Students who are eligible for free or reduce-price lunch and who attend Title I schools that failed to make Adequate Yearly Progress (AYP) for three or more consecutive years are eligible for these services. Your child's school receives Federal Title I funds to assist students in meeting state achievement standards. **Moore Haven Elementary** has not met these standards in reading for four consecutive years. The school has been identifies as a *School in Need of Improvement*. **However, in the 2008-09 school year, MHES met AYP in 100% of all criteria and received a letter grade of "A."**

**What is SES?**

SES is a program that offers free tutoring to eligible students. Tutoring is offered in mathematics or reading/language arts. This tutoring takes place outside of the regular school day. Each provider offers a different program on different days at different locations. After you learn more about each of the providers, you will choose the provider that can best meet the needs of your child. Tutoring will start by October 15, 2009.

**How do I apply?**

First, choose a provide for your child from the attached list of approved providers. To help you choose, we have enclosed a chart with questions to ask providers, called "Choose an SES Provider," The district will try to assign your child to your first choice. If your first choice is not available, your child will be assigned to your second or third choice.

You must return the **Glades County School District SES Application Form** on or before August 22, 2008, to one of the following locations:

- Mail, using the enclosed stamped self-addressed envelope.
- Your child's school.
- SES Provider Fair on August 27, 2009.
- Deliver to the Glades County District Office at 400 10<sup>th</sup> Street, Moore Haven.

The District will give priority to the lowest performing eligible students if there is not enough funds to provide services to all eligible students whose parents request the services.

**How can I learn more?**

Please come to our scheduled Provider Information Fair to be held at Moore Haven Elementary School in the Richie Building on August 27, 2009 at 6:00 P.M. You can meet with providers and talk about the program that my best meet your child's needs.

If you have questions or need additional information, please contact M. Katrina Fey at (863) 946-0202, Ext. 127.

Sincerely

Mr. Wayne Aldrich  
Superintendent
