Parental Involvement Mission Statement (Optional)

Response: The Glades County School District Parent Involvement Program will support the mission statement of the district by providing parents with support, educational assistance, literacy classes, and resources that will foster and encourage opportunities for them to become an integral part of this program and their child's education.

Involvement of Parents

Describe the actions the LEA will take to involve parents in the following required policies/plans:

- LEA-wide parental involvement policy [Section 1118(a)(2)];
- LEA plan [Sections 1112 (c)(H), 1112(d)(1)];
- School review and improvement under Section 1116 [Sections 1118(a)(2)(A), 1116(a)(1)(D), 1116(b)(3)(A)]; and
- How the funds reserved for parental involvement will be allocated [Section 1118(a)(2)].

Response: The Glades County School District, in partnership with the parents of students enrolled in Moore Haven Elementary School and West Glades School (the two Title I schools in Glades County), will develop, implement, and evaluate the LEA Title I Parental Involvement Policy (PIP) and the LEA Plan. Glades County School District will inform parents about the LEA PIP and give instructions on how to access the PIP. Parents will be invited to meetings to provide input on the LEA PIP and LEA Plan. Hard copy dissemination of the LEA PIP and discussion during parent meetings will further educate the parents of the LEA PIP. Participants of the parental involvement committee will consist of parents and grade level teachers recommended by administration. Parents will be asked to provide input and revisions for the development of the LEA PIP during activities, meetings, and school training. Documentation of the input and revisions will be through evaluations, meeting minutes, and surveys. A hard copy format regarding how to access the LEA Title I PIP will be provided to participants. The District will ask the two Title I schools to invite all parents to attend the meetings. The invitations to parents will inform them that translators will be available during the meetings to promote participation. Transportation and childcare will be provided for Migrant parents should these two barriers prevent attendance. Parents will be asked to provide input and suggestions to develop the LEA Policy/Plan. In addition, parents will be asked to provide input and suggestions to develop the TIPA application, use of PI funds and the DIAP. Initial development meetings, focus groups, and surveys will be the basis for the parental input for the PIP. SAC meetings addressing the PIP will be documented via meeting minutes.

Parents will be included in school review and improvement by gathering their communication of the School Improvement Plans (SIPs). Parents will be encouraged to thoroughly review each school's SIP activities and goals regarding parental involvement. Parents will have access to the SIPs, the LEA Plan, and other meaningful documents to assist in creating parental involvement to increase students' academic achievement.

The LEA will utilize the District Migrant PAC to challenge and encourage parents to become participants in their children's school, district, and community to raise awareness of the importance of parental involvement in the school. The PAC will gather input to provide the LEA recommendations as to how the funds for parental involvement would best be utilized.

Glades County will determine parental involvement expenditures by communication from parents in the form of surveys and LEA school events throughout the school year including PAC, PTO, and SAC meetings. To encourage participation from all parents, meetings will be held different times during the day as well as various dates during the school year. Transportation and childcare will be provided for Migrant parents per approved project applications. These services will be provided for these groups as funding allows. Formal and informal meetings will be held to also encourage participation.
